15th June 2020

Churches open for private prayer

Dear Friends,

From Monday the 15th June we have permission for churches to open for private prayer and I am very pleased to say that we will be opening our churches in a careful and phased way.

From Monday 15th June

St. Mary's Burnham Market will be open every day for individuals to come and pray. It is important that all hygiene precautions are observed - hand sanitiser will be provided that should be used on entering the church and again on leaving and full social distancing of 2 metres will please be observed. Signs will be there to guide you where seating is permitted so that we can ensure that these places and their associated surfaces can be cleaned daily.

On Wednesdays and Sundays beginning the 17th June

All Saints Burnham Sutton will be open for private prayer ***only for those who have been self isolating for several weeks***. We are intent on providing a safe place for the more vulnerable or nervous who have been in isolation during the period of lockdown. Because this church is open for only two days a week it allows a 72 hour period to ensure that any contamination has time to self eradicate as extra precaution. Please respect this safe space and if you are not in this category please remember that you are welcome in St.Mary's Westgate all seven days of the week.

After we have seen how well this regime works, there will be a further announcement about Burnham Overy Town St. Clements, Burnham Norton St. Margaret and Burnham Thorpe All Saints all of which will be available in due course.

With blessings,

Steve
